I am pleased to confirm that the **SPORT COURT PERFORMANCE FLOORING** from **CONNOR SPORT COURT INTERNATIONAL** has been approved for International level play from **16 September 2010 to 31 December 2011**.

One of the conditions of Approval is that you may display on any **SPORT COURT PERFORMANCE FLOORING** and promotional material "Approved by the Badminton World Federation for international level play." You may also have a link from your listing on our web site directly to your own. Please advise the URL to which that link should be made.

The BWF shall not as a consequence of granting this approval be responsible for any claim arising out of any actual or alleged defect in or damage caused by the approved flooring. This approval only applies to the **SPORT COURT PERFORMANCE FLOORING** brand and grade, provided that no changes are made to the components, method of construction, nature or quality of the flooring tested. If any changes to the components, method of construction, nature or quality of the flooring are made without our prior written consent it will result in approval being automatically withdrawn. In such circumstances it will be necessary for you to submit a fresh application.
