Connor Sports Flooring
545 E. Algonquin Road
Suite L
Arlington Heights, IL 60005

Dear Connor Sports Flooring:

This is a note to say how much we are enjoying our Connor Championship Court. We have been using the floor in our Practice Facility for the past 10 years, and have enjoyed the overall performance of this flooring system. Our team has commented on how much they enjoy playing on the floor, and are always pleased to come back from traveling to be back on their home court.

The selection of an athletic floor is very important. There are so many available options, each with its own promise to out-perform the rest. We are very pleased with the choice we have made for our Practice Facility, and would highly recommend this floor to anyone looking for a sports flooring system.

Sincerely,

John Hammond
Vice President of Basketball Operations
